We have a discount in the program fee if the student brings his/her own job offer letter (JOL) or participated last year in WT and has own JOL. In that case we do not provide job placements in US.

Airline ticket cost will be announced as soon as a contract with an airline will be signed. The total air fare will be set on the date of payment as airport taxes are always changing. Summer 2008 price for our students was = 24 500 RUB

If a student chooses to pay "visa denial insurance" he/she will get full refund (including even consular fee of \$131 and SEVIS fee) beside the cost of this insurance – \$70.

If a student choose not to pay for above mentioned insurance his loses will be: administration fee of 5000 rubles, \$175 from the program cost, \$35 – SEVIS fee and \$131 – consular fee. Total amount is at about \$ 545.

Other Services

Depending upon the place of work, some employers meet the student at the airport in the US. Sometimes we arrange transfer from an airport to the place of work if it is close to New York (e.g. New Jersey, Maryland, Delaware and Pennsylvania).

All the students obliged to check-in with the sponsor and provide all the information about any changes if approved. 3-4 of our managers are in the US during first months of program traveling and checking students at their job places.

If the job and/or housing falls through, we provide new job or place of living and investigate the situation.
